Killin' Floor

Blues Saraceno

Oh, in the mornin'
you got me shakin' that night
you got me sweatin' all over
down on the killing floor.

All I know; everyone is talkin'
everybody told me so
All I say; hold me in your pocket
beggin' 'baby let me stay'.

Oh, tear me out now, hold me down oh darlin'
you got me down on the killing floor
yeah, down on the killing floor.

Treat me wrong, fill me up with sorrow
suffer in your cheatin' ways
all night long, lower than the bottom
preachin what the couple say.

Oh you tear me out, you treat me wrong
you hold me down oh darlin'
you got me down on the killing floor
yeah, down on the killing floor.

All I know; everyone is talkin'
everybody tells me so
shake me down, leave me with the pieces
beggin' 'baby let me go'.

Oh, you tear me out
you treat me wrong
you hold me down oh darlin
you got me down on the killing floor
yeah, down on the killing floor.
