

Show You Love

Jars of Clay

Speak and say the words that no one else will ever say
Love, love like the world we know is over in a day I'm gonna show you love in every language
I'm gonna speak with words that need no form
I'm gonna give you what you never had before You are beautiful and I am weakened by the force of your eyes
So shine bright to separate the truth from the lies
I'm gonna show you love I'm gonna show you love in every language
I'm gonna speak with words that need no form
I'm gonna give you what you never had before
What you never had before, had before So tie me to a tree, let the smoke and ash collect
No, I won't regret to let love do what love will let
And we can drown in mixed emotions, walk across an angry sea
This is the cost of being free I'm gonna show you love in every language
I'm gonna speak with words that need no form
I'm gonna give you what you never had before I'm gonna show you love in every language
I'm gonna speak with words that need no form
I'm gonna give you what you never had before I'm gonna show you love in every language
I'm gonna show you love
