

Kisses and Tears

Bad Boys Blue

My love
now you're lying lonesome with visions of bluevisioning you.
Again
you let your heart go when whenever you do
it's hurting me
too.
When damage is done
I watch you run it's me you call
to me you come. Kisses and tears - my one and only Don't be lonely
I'm right here.
Kisses and tears - we'll turn that bad dream
To a good thing
it's so clear. Kisses and tears - a new world's waiting
That we're creating with our love.
Kisses and tears - my one and only Don't be lonely
don't you run. You know how a heartache ends with visions of blue abandoning you.
I know that we're more than friends you know that it's true
it's long overdue.
No more to run
no damage done now hear my call
to you I come. Kisses and tears - my one and only
...
Kisses and tears - a new world's waiting . . . Kisses and tears - my one and only
...
Kisses and tears - my one and only
...
Kisses and tears - a new world's waiting . . .
