

Lessons Learned from Rocky I to Rocky III

Cornershop

Reporting damage, it is soft rock shit
The TSB Rock School, the overgrown supershit
The supermodels, well they can't get enough of itThe overgrown supershit against the GTX, it is rugged GT
Lessons learned from Rocky I to Rocky III
Lesson 1, the A and R's are in it to the hipsThe overgrown supershit
The overgrown supershit
The overgrown supershit
Yea, the overgrown supershitWho spent the Rock School in the rock pool?
Miami beach, chicks with dicks
Who's testing when it's Ed that's flexing?The overgrown supershit
Yea, the overgrown supershit
The overgrown supershit
Yea, the overgrown SupershitLessons learned from Rocky I to Rocky III
Sheepskin' shoes tend to run the industry
Lesson 2, Cop the groove
Lesson 3 is to ignore 4, round 5 going into 6I understand guns in the A and R office
7, we're cooking with Amitabh Bachchan
8, it's a real heavy weight
9, we're rocking New York time
10 times 10, it's like St. John saidThe overgrown supershit
The overgrown supershit
Yea, the overgrown supershit
The overgrown supershitMessage from the wreckage, it is soft rock shit
TSB Rock School, overgrown supershit
The supermodels, well they can't get enough of itThe overgrown supershit
(Ohh, ohhh, yea, yea)
Yea, the overgrown supershit
(Ohh, ohhh, yea, yea)
The overgrown supershit
(Ohh, ohhh, yea, yea)
(Ohh, ohhh, yea, yea)
