Stay

Nat King Cole

Stay in my heart where I lead you
Stay where a kiss won't mislead you
Don't ever think of going far
You'll have me following where you areStay where my arms can reach for you
Close to the lips that adore you
And even though it's time to go
You'll like it better if you stayDon't ever think of going far
You'll have me following where you areStay where my arms can reach for you
Close to the lips that adore you
And even though it's time to go
You'll like it better if you stay
You'll like it better if you stay
