

# It Might Be You

[Erik Santos](#)

Time...

I've been passing time watching trains go by  
All of my life  
Lying on the sand watching sea birds fly

Wishing there would be someone waiting home for me  
Something's telling me it might be you  
Yes, it's telling me it might be you  
All of my life

Looking back as lovers go walking past  
All of my life

Wondering how they met and what makes it last  
If I found the place would I recognize the face  
Something's telling me it might be you  
Yeah, it's telling me it might be you

So many quiet walks to take  
So many dreams to make  
And with so much love to make  
I think we're gonna need some time  
Maybe all we need is time...  
And it's telling me it might be you  
All of my life

I've been saving love songs and lullabies  
And there's so much more  
No one's ever heard before  
Something's telling me it might be you  
Yeah, it's telling me it must be you  
And I'm feeling it'll just be you all of my life

Yeah, maybe it's you, maybe it's you  
I've been waiting for all of my life  
Maybe it's you, maybe it's you  
I've been waiting for you all of my life  
Maybe it's you, maybe it's you  
I've been waiting for all of my life
