Hold the Line

Broods

Do you mean it, more than ever?
Steady, baby, hold the line
You control me, hypnotize
Steady, baby
Hold the line (hold the line)
Hold the line (hold the line)Cut clean, relieve me
Let free, the vein of my life
No calm, no silence
No contra to you, my loveHold the line, the line
Hold the lineOpen clearly
Heal my blind eye
Needy baby
Hold the line (Hold the line)Cut clean, relieve me
Let free, the vein of my life
No calm, no silence
No contra to you, my loveHold the line, the line
Hold the line
Hold the line, the line
Hold the lineYou hold it, don't break it
You give it, you take it
A fighter, a lover
I'll be it, forever
You hold it, don't break it
You give it, you take it
A fighter, a lover
I'll be it, forever
Forever, forever, forever (hold the line)Cut clean, relieve me
Let free, the vein of my life
No calm, no silence
No contra to you, my loveHold the line, the line
Hold the line
Hold the line, the line
Hold the line
