Where Do I Go From Here

Carpenters

Autumn days
Lying on a bed of leaves
Watching clouds up through the trees
You said our love was more than time
It's colder now
The trees are bare and the nights are long
Can't get warm since you've been gone
And I can't stop singing sad songs
Where do I go from here?
Tell me where do I go from here?
Said you'd take me through the years
So where do I go from here?
Lovers plans, like falling leaves on windy days
Flutter past and they fly away
I thought I knew you all so well

And I need you now
I need to feel you in the night
I need your smile so warm and bright
I wish my mind could let you go
Where do I go from here?
Tell me where do I go from here?
You said you'd take me through the years
So where do I go from here?
Where do I go from here?
Tell me where do I go from here?
You said you'd take me through the years
So where do I go from here?
You said that you'd take me though the years
So where do I go from here?
