

# Where Do I Go From Here

## Carpenters

Autumn days  
Lying on a bed of leaves  
Watching clouds up through the trees  
You said our love was more than time  
It's colder now  
The trees are bare and the nights are long  
Can't get warm since you've been gone  
And I can't stop singing sad songs  
Where do I go from here?  
Tell me where do I go from here?  
Said you'd take me through the years  
So where do I go from here?  
Lovers plans, like falling leaves on windy days  
Flutter past and they fly away  
I thought I knew you all so well

And I need you now  
I need to feel you in the night  
I need your smile so warm and bright  
I wish my mind could let you go  
Where do I go from here?  
Tell me where do I go from here?  
You said you'd take me through the years  
So where do I go from here?  
Where do I go from here?  
Tell me where do I go from here?  
You said you'd take me through the years  
So where do I go from here?  
You said that you'd take me though the years  
So where do I go from here?
