

# Turn off the Lights (Re-Recorded) [Remastered]

## Teddy Pendergrass

Turn off the lights and light a candle  
Tonight I'm in a romantic mood, yeah  
Let's take a shower, shower together, yeah  
I'll wash your body and you'll wash mine, yeah  
Rub me down in some hot oils, baby, yeah  
And I'll do the same thing to you  
Just turn off the lights, come to me  
Girl, I want to give you a special treat, you're so sweet  
Turn off the lights and let's get cozy  
See, you're the only one in the world that I need  
I want to love you, love you all over, yeah  
Over and over and over and over  
And over and over and over again  
Whisper sweet words of love in your ear  
Show you I much I missed you, missed you, my dear  
Turn 'em off and come to me  
Tonight, I'm in a sexy mood, baby  
And light a candle  
Girl, there's something that I-I want to do to you,  
I want to do, I want to do to you, baby  
Would you mind if I asked you to  
Would you rub me down  
Would you rub me down in some, in some burnin' hot oils, baby, yeah  
I swear I can do the same thing, the same thing to you, baby  
Turn 'em off and let's get cozy  
I want to give you a special treat, you've been so sweet  
Turn 'em off and come closer  
You're the only one in this whole wide world that I'd ever need  
Turn 'em off and light a candle  
You see, there's somethin' I, somethin' I,  
Somethin' I, somethin' I  
Somethin' I want to do to you, baby  
I'm lyin' here waitin', my dear  
You can get what you want any time you want it  
I'm lyin' here waitin', my dear  
Come get what you need, give me what I need  
Tell me what you want to do (There's somethin' I)  
Tell me what you want to do, babe  
(There's somethin' I, somethin' I want to do to you, baby)  
Tell me what you want to do (Yeah)  
Tell me what you want to do, babe (Yes)  
Tell me what you want to do (I've got somethin' in my mind)  
Tell me what you want to do, babe  
(Somethin' that I've been wantin' to do all the time, yeah, yes)  
Tell me what you want to do (I want to give you a special treat)  
Tell me what you want to do, babe ('Cause you've been so sweet, yeah, yes)  
(Anything that you want, anything  
that you need, I got it, I got it)  
Tell me what you want to do (I can do it)  
Tell me what you want to do, babe (I'm willin')

Tell me what you want to do  
Tell me what you want to do, babe (I'm willin' to try)
