Watch me lose faith, locked inside this mind.
Without youÂ (right now)Â will you?
Hear my words, or just fade out?â€¨

Lost in this cold, trapped inside this land
Any chance you feel these beasts? Their horns pointing me outâ€¨

There's no chance, there's no way outÂ â€¨Where's my realese if there's no more of you?â€¨

Itâ€™s been growing so much time,Â we strayedâ€¨Tired of looking for someÂ signs of hope, we failed â€¨
Vamos!!!
Distressed we've grown apart it's all beneath your warmth
Es imposible controlar
Â¿DÃ³nde estÃ¡s? De pronto
Tira de mÃ-, no entiendo
Â¿DÃ³nde estÃ¡s? No encuentro!!Â â€¨
No veo seÃ±al, Â¿dÃ³nde quedÃ³ el sueÃ±o?
FracasÃ©â€¨QuÃ© me absorbiÃ³? Todo acabo.â€¨

Itâ€™s been growing so much time,Â we strayedâ€¨Tired of looking for someÂ signs of hope, we failedâ€¨â€¨
Todo va al centro, a punto de reventar.Â
We strayed!!!
