# Right Here (Human Nature Remix)

## SWV

(Verse 1)
Lately, there seems to be
Some insecurities
About the way I feel
Where I wanna be
Boy, you know it's with you
No one can do
The things you do to me
Never to be mistaken
Long as it's love we're making
There's gonna be some rain, gonna be some pain
But as long as I know, boy time will show
Our love will grow. And I know...(Chorus)
Love will be right here, be right here
Right here, be right here
No fear, have no fear
No tears, love is real(Verse 2)
True love some don't believe in
That's just what I'm giving
I'm gonna keep it strong
I'll be holding on to you
No one can do me like you do, it's true
Sure as the sun is shining
Our love will keep on climbing
There's gonna be some rain, gonna be some pain
But as long as I know
Boy, time will show
Our love will grow, and I know...(Chorus)Repeat Chorus Until Fade...
