

Set the World On Fire (Acoustic)

Britt Nicole

I wanna set the world on fire
Until it's burning bright for you
It's everything that I desire
Can I be the one you use? I, I am small but
You, you are big enough
I, I am weak but
You, you are strong enough
To take my dreams
Come and give them wings.
Lord with you
There's nothing I cannot do.
Nothing I cannot do. I wanna feed the hungry children.
And reach across the fathers*farthest land
And tell the broken there is healing
And mercy in the Father's hands. I, I am small but
You, you are big enough
I, I am weak but
You, you are strong enough
To take my dreams
Come and give them wings.
Lord with you
There's nothing I cannot do.
Nothing I cannot do. Take my dreams
Come and give them wings.
And Lord with you
There's nothing I cannot do. My hands, my feet
My everything
My life, my love
Lord use me. I wanna set the world on fire
Wanna set the world on fire. Take my dreams
Come and give them wings.
Lord with you
There's nothing I cannot do
Oh no.
Take my dreams
Come and give them wings.
Cause Lord with you
There's nothing I can't do.
Nothing I can't do. I'm gonna set the world on fire.

Set the world on fire.
