

# Love You Madly

## Cake

I don't want to wonder  
If this is a blunder  
I don't want to worry whether  
We're gonna stay together till we die I don't want to jump in  
Unless this music's thumping  
All the dishes rattle in the cupboards  
When the elephants arrive I want to love you madly  
I want to love you now  
I want to love you madly, way  
I want to love you, love you, love you madly I don't want to fake it  
I just want to make it  
The ornaments look pretty  
But they're pulling down the branches of the tree I don't want to think about it  
I don't want to talk about it  
When I kiss your lips  
I want to sink down to the bottom of the sea I want to love you madly  
I want to love you now  
I want to love you madly, a way  
I want to love you, love you, love you madly I don't want to hold back  
I don't want to slip down  
I don't want to think back  
To the one thing that I know I should have done I don't want to doubt you  
Know everything about you  
I don't want to sit across the table from you  
Wishing I could run I want to love you madly  
I want to love you now  
I want to love you madly, a way  
I want to love you, love you, love you madly
