[Cody Simpson](#)

(One, two, three, four)
Look around, you should be
Should be dancing, dance with me
Bottom line, always in time
So I'ma say what's, on my mindI just want you to know
That you're so so beautifulOoh ooh ooh baby I just wanna be with you-ooh-ooh
I don't care if nobody approve-ooh-ooves
Tell me what I got to do to prove tonight
I might be the one, girlOoh ooh ooh baby I just wanna be with you-ooh-ooh
I don't care if nobody approve-ooh-ooves
Tell me what I got to do to prove tonight
I might be the one, girlThough I'm caught in the moment the moment, you know
That you want me to own it, to own it, let's go (oh oh oh)And I need you to know
That you're so so beautifulOoh ooh ooh baby I just wanna be with you-ooh-ooh
I don't care if nobody approve-ooh-ooves
Tell me what I got to do to prove tonight
I might be the one, girlOoh ooh ooh baby I just wanna be with you-ooh-ooh
I don't care if nobody approve-ooh-ooves
Tell me what I got to do to prove tonight
I might be the one, girlDon't over think it
We don't have to leave yet
We're just having fun
What could go wrong?
There ain't no question about it, I'm sayin'
It's you that I want (want)Ooh ooh ooh baby I just wanna be with you-ooh-ooh
I don't care if nobody approve-ooh-ooves
Tell me what I got to do to prove tonight
I might be the one, girlOoh ooh ooh baby I just wanna be with you-ooh-ooh
I don't care if nobody approve-ooh-ooves
Tell me what I got to do to prove tonight
I might be the one, girlUh uh uh
