

Country Girl

Dottie West

I was born a country girl; I will die a country girl
My world is made of blue skies and sunshine
 Green fields and butterflies
 I'm so glad I'm a country girl
 Birds sing good morning to a country girl
 And I sleep to the sounds of whip-o-wills
My day is made with puppies and kittens meadows and daisies
 I'm so glad I'm a country girl
 Running over hills playing in the woods free breezes blowing
Honey bees are swarming, black birds are flying, wonder where they're going
 Picking stick-me-tights off my gingham dress darkness is falling
Firewood to carry eggs to gather and supper? s ready mamma's calling
 I was born a country girl and I will die a country girl
 My world is made of blue skies and sunshine
 Green fields and butterflies
 I'm so glad I'm a country girl
 Oh I'm so happy I'm a country girl
