Denial Waits

ASHES dIVIDE

Denial Waits
-verse 1-
Denial waits its
Here to claim me now
As I crawl down to hell
For a chance that youll come around and
-pre 1-
Lay down tonight
But Im left
Telling myself that
Everything will be alright
-Chorus 1-
Run away
From the way that you love me
With no regrets
Walk away
Dont want to hear that youre sorry
From words unsaid
So stay away
I know you wanna destroy me
And fade away cause I know
-VERSE 2-
If I just close my eyes
I still see your lips
Saying
Everything will be alrightIf I saw you right now
Im embarrassed to say
Id take you back and
We could just pretend you never went away
-Chorus 2-
Run away
From the way that you love me
With no regrets just
Walk away
Dont want to hear that youre sorry
From words unsaid
So stay away
I know you wanna destroy me
Just save you breath cause I know

-verse 3-
Denial waits its
Here to claim you now
Denial waits its
Here to claim you
-Chorus 3-
Run away
From the way that you love me
With no regrets just
Walk away
Dont want to hear that youre sorry
From words unsaid
Denial waits (x2)
