Gypsy

Sonny

Verse1
I'm ready now
To get up outta here
I'm steady now
Up in my new frontier
I'm on the move
I gotta move
I'm coming through
To get to youI know you heard a lot about me
But you don't know that much about me
Tryna push me away
Why you blocking you cray
I ain't running away
I'm not running awayChorus
I think I found the place
That I can call my own
I never been the one for change
But this time it's better alone
I don't wanna be here as the gypsy passing you by
I just wanna stay here and go back there some other timePostChorus
I'm not running away
I'm not running away
I'm not running away
I'm not running awayVerse2
I bet you don't know what i'm up to
You think I do this cause I have to
Cause i'm still making all that dough up off youI ain't worried at all
No discourage I ain't stressing
I'm just having a ball
Entertaining ya'll
Just get outta my way
Why you pushing ay
I ain't running away
I'm not running away
So just stop with me now
I'm the lost and the found
Ain't no playing around
I'm not leaving your townBridge
I I I I

Can this be home for me
I I I I
Will I ever be free
I've been searching
I I I I
Is there any love me
Is there a home for me
Da di da dam
Da di da dam
