North Wind

Slim Whitman

Well once I met a pretty little girl and
She was fair to see
I fell in love with that pretty little girl
She fell in love with me
I kissed her on her dimpled chin
While stars in heaven did play
But along came a howlin' that old
North Wind and carried her awayNorth Wind
North Wind bring my baby back again
North Wind where did she go nobody but you will ever know
It seems I hear her callin' me and when I answer back
I find it's just that old North Wind
A whistlin' around my shack
Each night before I go to sleep down on my knees I pray
That the old North Wind a come a howlin' by
And carry me awayNorth Wind
North Wind bring my baby back again
North Wind where did she go nobody but you will ever know
