

North Wind

Slim Whitman

Well once I met a pretty little girl and
 She was fair to see
I fell in love with that pretty little girl
 She fell in love with me
 I kissed her on her dimpled chin
 While stars in heaven did play
 But along came a howlin' that old
North Wind and carried her awayNorth Wind
 North Wind bring my baby back again
North Wind where did she go nobody but you will ever know
 It seems I hear her callin' me and when I answer back
 I find it's just that old North Wind
 A whistlin' around my shack
Each night before I go to sleep down on my knees I pray
 That the old North Wind a come a howlin' by
 And carry me awayNorth Wind
 North Wind bring my baby back again
North Wind where did she go nobody but you will ever know
