

# Young At Heart

Barry Manilow

Fairy tales can come true, it can happen to you  
If youre young at heart  
For its hard you will find to be narrow of mind  
When youre young at heart You can go to extremes with impossible schemes  
You can laugh when your dreams fall apart at the seams  
And life gets more exciting with each passing day  
And love is either in your heart or on its way Dont you know that its worth every treasure on earth  
To be young at heart?  
For as rich as you are, its much better by far  
To be young at heart And if you should survive to 105  
Look at all youll derive out of being alive  
And here is the best part, you have a head start  
If you are among the very young at heart You can go to extremes with impossible schemes  
You can laugh when your dreams fall apart at the seams  
And life gets more exciting with each passing day  
And love is either in your heart or on its way Dont you know that its worth every treasure on earth  
To be young at heart?  
For as rich as you are, its much better by far  
To be young at heart And if you should survive to 105  
Look at all youll derive out of being alive  
And here is the best part, you have a head start  
If you are among the very young at heart
