

# Ordinary Day

## DJ Rap

It's just an ordinary day  
In these extraordinary times  
I think we know we have to change  
To live extraordinary lives  
Yes we do X2A child in a broken door  
Thinks love is all about some war  
He sees what you do  
A man lying on the floor  
Arms reaching 'cos he needs much more  
He knows you walk through  
It's just an ordinary day  
In these extraordinary times  
I think we know we should change  
To live extraordinary lives
