

Reality (feat. Janieck Devy)

Lost Frequencies

Decisions as I go, to anywhere I flow
Sometimes I believe, at times where I should know
I can fly high, I can go long
Today I got a million, tomorrow, I don't know
Decisions as I go, to anywhere I flow
Sometimes I believe, at times where I should know
I can fly high, I can go long
Today I got a million, tomorrow, I don't know
Stop crying like you're home and think about the show
We're all playing the same game, laying down alone
We're unknown and wrong, special when I come.
Hate will make you cautious, love will make you glow.
Make me feel the warm, make me feel the cold.
It's written in our story, it's written on the walls.
This is our call, we rise and we fall.
Dancin' in the moonlight, don't we have it all?
Decisions as I go, to anywhere I flow.
Sometimes I believe, a time where we should know.
I can fly high, I can go long.
Today I got a million, tomorrow, I don't know.
Make me feel the warm, make me feel the cold.
It's written in our story, it's written on the walls.
This is our call, we rise and we fall.
Dancin' in the moonlight, don't we have it all?
