

We Should Hang Out

Con Bro Chill

MmmhI'm a funky man
I'm a funky man!What is your name?
It's so refreshing you don't look plastic
That's nice to say, I bet you think I look so fantastic
When I feel great, I flash my feathers just like a peacock
The things I'll do, don't you know always start with sweet talkBombs away, just getting started
Come set sail to the uncharted
'Cause I look good, 'n you look good
Ow!
We look good, we should hang out
We should hang out
I know you wanna hang too
We should hang out
Your mama's gonna approve
Don't you want this
I know I'm hard to resist
'Cause I look good, you look good
Ow!
We look good, we should hang outOh-woowoo-eh-eh-eh-eh-eh-eh
Oh-woowoo-eh-eh-eh-eh-eh-ehSo are you hooked?
You didn't know I was such a dancer
What's that you say?
You wanna kiss me in the now and later
Aren't you impressed?
With all the ways that I move my body
The things I'll do, I'll only say if I'm off the recordBombs away, just getting started
Come set sail to the uncharted
'Cause I look good, 'n you look good
Ow!
We look good, we should hang out
We should hang out
I know you wanna hang too
We should hang out
Your mama's gonna approve
Don't you want this
I know I'm hard to resist
I look good, you look good
Ow!
We look good, we should hang outOh-woowoo-eh-eh-eh-eh-eh-eh

Oh-woowoo-eh-eh-eh-eh-eh-eh
Oh-woowoo-eh-eh-eh-eh-eh-eh
Oh-woowoo-eh-eh-eh-eh-eh-ehOw!

We should hang out
I know you wanna hang too
We should hang out
Your mama's gonna approve
Don't you want this
I know I'm hard to resist
I look good, you look good
Ow!

We look good, we should hang outOh-woowoo-eh-eh-eh-eh-eh-eh
Oh-woowoo-eh-eh-eh-eh-eh-eh (Ow!)
Oh-woowoo-eh-eh-eh-eh-eh-eh
Oh-woowoo-eh-eh-eh-eh-eh-eh
