You Are My Sunshine

Norman Blake

The other night dear, as I lay sleeping I dreamed I held you in my arms But when I awoke, dear, I was mistaken And I hung my head and I criedYou are my sunshine, my only sunshine You make me happy when skies are gray You'll never know dear, how much I love you Please don't take my sunshine awayI'll always love you and make you happy If you will only say the same But if you leave me and love another You'll regret it all some dayYou are my sunshine, my only sunshine You make me happy when skies are gray You'll never know dear, how much I love you Please don't take my sunshine awayYou told me once, dear, you really loved me And no one else could come between But not you've left me and love another You have shattered all of my dreams You are my sunshine, my only sunshine You make me happy when skies are gray You'll never know dear, how much I love you

Please don't take my sunshine awayIn all my dreams, dear, you seem to leave me
When I awake my poor heart pains

So when you come back and make me happy
I'll forgive you dear, I'll take all the blameYou are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear, how much I love you
Please don't take my sunshine away
