

Startin' Today

Steve Azar

Yeah I've been down I've been beatin'
I've been cheated
You see it in the way I walk
Read it on my weary face
Been more like a pebble
Instead of a rock, instead of the rebel
You once knew and grew to love
And it's safe to say I've had enough Startin' today I'm gonna get myself in shape
Let go of my regrets
Make this my last cigarette
Startin' today I'm gonna turn this boat around
Catch that rainbow I've been chasin' down
It's all right I'll be OK
Startin' today What I've been through isn't any more or any less
Than anybody else
Who ever had to face the truth
But it's my pain
If I can smile then I can change
It's a pretty good place way to begin
Hey watch me now
I'm ready to win Startin' today I'm gonna get myself in shape
Let go of my regrets
Make this my last cigarette
Startin' today I'm gonna turn this boat around
Catch that rainbow I've been chasin' down
It's all right I'll be OK
Startin' today I'm gonna get myself in shape
Let go of my regrets
Make this my last cigarette
Startin' today I'm gonna turn this boat around
Catch that rainbow I've been chasin' down
It's all right I'll be OK
Startin' today
I'll be OK
Startin' today
