

# Beyond a Shadow

## A Telemetry

so uneasy  
you walk with eyes untrue  
every step  
has a nervous flow  
waxing as you go

their looking to you  
beyond a shadow searching  
their fixing on you  
beyond a shadow lurking

feel a terror  
it grips the whole resolve  
every moment  
you hide inside your wall  
to reflect the call

their looking to you  
beyond a shadow searching  
their fixing on you  
beyond a shadow lurking

not much - one can do  
when the bolt comes aiming through  
a lighting strike is seen  
much quicker than the scream

buried issues  
rise to overtake  
cornered creature  
sir-come to one hard act  
the mission of attack

their looking to you  
beyond a shadow searching  
their fixing on you  
beyond a shadow lurking
