

# Quirky

## The Midnight Beast

Not married but I wear a wedding ring on my hand  
I go to sleep when I want, 'cause I don't have bedtime planned  
Don't obey by the rules, sometimes I don't even care  
If I'm out eating at a buffet I'll have more than my share

WHAT! I'm a bad influence, don't hang around with me  
I ride my bike on the pavement, wear my clothes in the shower  
I'm straight up crazy  
I've got a beard, I've got an afro, I've got eyebrows that rock, so  
If you want to out-quirky us than take your best shot

I don't sing in tune, why?  
Cuz I'm quirky  
Backwards lyrics my of all rap I  
Cuz I'm quirky  
I sip my Coffee through a straw bitch  
Cuz I'm quirky  
N' I'll still rock a cap when I'm thirty... WHY!  
Cuz I'm quirky

The other day, I had a piece of toast  
But I didn't even butter it, it tasted gross  
I DON'T CARE, what I do... I'm a real live wire  
I hold a match 'til it burns... I'm playing with fire

FUCK vegetables, I don't eat none of that shit  
FUCK education, I don't study one little bit  
FUCK THE FONZ, HE THINKS HE'S FUCKING COOLER THAN ME  
AND FUCK SINGING THIS SONG, CUZ I'm TOO QUIRKY TO SING

I wear red and pink, why?  
Cuz I'm quirky  
I greet you with a goodbye  
Cuz I'm quirky  
I have eleven beers a day, why?  
Cuz I'm quir-  
No, no that just makes you an alcoholic...  
N' I'll still have a beard when I'm thirty... WHY!  
Cuz I'm quirky

Ripping a hole in your jeans  
Owning a pink limousine  
Learning to ride a unicycle whilst your dressed as the queen  
Fighting a bear with one hand  
Getting a full-body tan  
Joining a post-apocalyptic-gothic hardcore band

I like Home Alone 3  
Cuz I'm quirky,  
I'm drinking peppermint tea,  
Cuz I'm quirky,  
I got a picture of the hoff, see?  
Cuz I'm quirky,  
N' I'll still rock a cap when I'm thirty... WHY!  
Cuz I'm quirky
