One Fine Morning

Lighthouse

One fine morning, girl, I'll wake up
Wipe the sleep from my eyes
Go outside and feel the sunshine
Then I know I'll realize
That as long as you love me, girl, we'll flyAnd on that mornin' when I wake up
I'll see your face inside a cloud
See your smile inside a window
Hear your voice inside a crowd
Calling, come with me baby and we'll flyYeah, we'll fly-y-y, yeah, we'll fly
We'll fly-y-y, yeah, we'll flyAnd on that mornin' when I wake up
We'll go outside and live our dreams
I'll buy you candies made of stardust
And little dolls dressed up in moonbeamsAnd everywhere we go we'll laugh and sing
I'll kiss you morning, noon and night
And all the universe will smile on us
'Cause they know that our love is finally rightYeah, we'll fly-y-y, yeah, we'll fly
We'll fly-y-y, yeah, we'll flyYeah, we'll fly to the east, we'll fly to the west
There'll be no place we can't call our own
Yeah, we'll fly to the north, we'll fly to the south
Every planet will become our homeYeah, we'll fly-y-y, yeah, we'll fly
Yeah, we'll fly to the east, we'll fly to the west
There'll be no place we can't call our own
We'll fly to the north, we'll fly to the south
Every planet will become our home
