

Rainmaker

Emmelie de Forest

This land, abandoned and dried out
Listen, no one hears you shout
In my hand, see the love in life
But in this land they fear the silent eyes
Over the mountains, higher
Where will you find us? Higher
Over the mountains, higher
Where will you find us? Oh, I hear
Hear the echo of your drums
It's in your hands, let the rain dance
I feel
Feel the power of your song
It's in your call, let the rain fall
Make it rain, make it rain, rainmaker
Oh oh
Make it rain, make it rain, rainmaker
Oh oh
One love carried by the wind
One love glowing on our skin
Join us when the sun is high
It only takes one love to open up the sky
Over the mountains, higher
Where will you find us? Higher
Over the mountains, higher
Where will you find us? Oh, I hear
Hear the echo of your drums
It's in your hands, let the rain dance
Oh I feel
Feel the power of your song
It's in your call, let the rain fall
Make it rain, make it rain, rainmaker
Oh oh
Make it rain, make it rain, rainmaker
Oh oh
Oh, I hear
Hear the echo of your drums
It's in your hands, let the rain dance
I feel
Feel the power of your song
It's in your call, let the rain fall
Oh, I hear
Hear the echo of your drums
It's in your hands, let the rain dance
Oh I feel
Feel the power of your song
It's in your call, let the rain fall
Make it rain, make it rain, rainmaker

Oh oh (make it rain)
Make it rain, make it rain, rainmaker
Oh oh Make it rain, make it rain, rainmaker
Oh oh
Make it rain, make it rain, rainmaker
Oh oh
