

Diamonds

Teairra Mari

Ay, ay, uh You love my diamonds don't cha?
Let a way a nigga shine, why don't you?
Baby, what's your dis position?
Have you ever tried this position? You're my dream girl from the posters
That I thought I would never get close to
In the back limousines with chauffeurs
Right next to the test-o-arosters It's funny how all the journey
Just gets your cat so purry
And it look good altogether
They say they all forever You love my diamonds don't cha?
That I bought from all this rythmen
But I know you'll never love me
You'll only love my diamonds You mess me up on the house of my night
I fall in love with you multiple times
Got me wrapped around your finger
Boy, I hope you like things as I do
(I do)
I do
(Do) You're my one and only rock and a rough
I love to hush you, baby, you light me up
And there ain't no way I'll give you away
He's my d-d-diamond daddy and I just got to have it When I love baby, I'm gonna love ya
Just like I love my diamonds
Diamonds, diamonds And when I wake up every night
(Boy)
Will we be shining
Diamonds, diamonds I treasure you, cherry chu
Where you rub my body
(Ooh)
'Cause people are together Diamonds are forever, ice blue, baby
(Ooh)
When I love you like my diamonds
Diamonds, diamonds Like every girl I'm into fabulous things
Like oyster pearls and pretty diamond rings
But your my precious possession
I rock you 24/7 I do
(I do)
I do
(Do) All my acessories, yeah, I'll give em' up

I'd even trade them in for your love
And the ain't no way I'm giving you away
Your my d-d-diamond daddy and I just got to have you
When I love, baby, I'm gonna love ya
Just like your were my diamonds
Diamonds
(Diamonds)
Diamonds
(Diamonds) And when I wake up every night
(Boy)
Will we be shining
Diamonds
(Diamonds)
Diamonds
(Diamonds) I treasure you, cherry chu
Where you rub my body
(Ooh)
'Cause people are together
Diamonds are forever, ice blue, baby
(Ooh)
When I love you like my diamonds
Diamonds, diamonds
When I love, baby, I'm gonna love ya
Just like your were my diamonds
Diamonds
(Diamonds)
Diamonds
(Diamonds) And when I wake up every night
(Boy)
Will we be shining
