

House of Love

Amy Grant

Well, I'll bet you any amount of money
He'll be coming back to you
I know there ain't no doubt about it
Sometimes life is funny
You think you're in your darkest hour
When the lights are coming on in the house of love
House of love You've been up all night
Thinking it was over
He's been out of sight
At least for the moment But when something is strong
Gets a hold on you
The odds are ninety-nine to one
It's got a hold on him too Well, I'll bet you any amount of money
He'll be coming back to you
I know there ain't no doubt about it
Sometimes life is funny
You think you're in your darkest hour
When the lights are coming on in the house of love
When the lights are coming on in the house of love Now when the house is dark
And you're all alone inside
You've gotta listen to your heart
And put away your foolish pride Though the storm is breaking
And thunder shakes the walls
Love with a firm foundation
Ain't never, never, never gonna fall Well, I'll bet you any amount of money
He'll be coming back to you
I know there ain't no doubt about it
Sometimes life is funny
You think you're in your darkest hour
When the lights are coming on in the house of love
When the lights are coming on in the house of love Though the storm is breaking
And thunder shakes the walls
Love with a firm foundation
Ain't never, never, never gonna fall Well, I'll bet you any amount of money
He'll be coming back to you
I know there ain't no doubt about it
Sometimes life is funny
You think you're in your darkest hour
When the lights are coming

Lights are coming on I'll bet you
He'll come back to you, back to you
There ain't no doubt about it
Sometimes life is funny
You think you're in your darkest hour
When the lights are coming on in the house of love I know there ain't no doubt about it
Sometimes life is funny
You think you're in your darkest hour
