Cottonwood Firing Squad

oh my love
itâ€™s time we say goodbye
hope your happy now, iâ€™d expect nothing less
iâ€™m wishing you the best

oh my love
glad you carried on
me, iâ€™ve been a mess since the day that you left
iâ€™m wishing you the best

oh my love
itâ€™s gonna take some time
when i see you with him
tears a hole right through my chest
iâ€™m still wishing you the best

oh my love
i will find my way
though it seems like it
i ainâ€™t quite dead yet
iâ€™m wishing you the best
iâ€™m wishing you the best

iâ€™m wishing you the best
