

# The Incurable Tragedy II (november 10, 2006)

## Into Eternity

I'm on my knees but I can't follow  
I'm sitting here alone, abandoned, torn apart  
I'm on my knees I can't continue on  
Emotionless and deserted  
The Incurable Tragedy  
The Incurable Tragedy  
Frozen, lost, and out of time  
Crossing to the other side  
The ending came so suddenly  
Now her I stand and there you lay  
Endless grief conceding  
Presuming  
Allowing  
Undaunted
