

Young N Reckless

Krept & Konan

All this weed all this drink
Can't be good for my liver and lungs
But I ain't stopping, no
I know she fucking other niggers, true
I don't care I'm still hitting that pussy
See I ain't stopping no
It's like I'm sitting here winning
I'm need forgiving
I know she got a man
She showed me from the beginning, no
Lonely nights got me raving all the time
This is me I'm addicted to this life
Yes I'm young and I'm reckless
I been smoking amnesia
It kinda fucks with my brain
I remember the pussy but won't remember your name
And I ain't breeding up a gal
Out raving you mad
Too have fucking tonight the next day she pushing your pram, pissed
North side but I know south Don's
So I might down south don
You should know what to put your mouth on
Sure I made a go down south song
With Krept and Kone
They next to blow
When they thought they had me I switched the flow
Niggers gassed up, Texaco
Pussy I got the fire for your petrol
I'm extra, terrestrial
I want a bad bitch I'm on pet patrol
I was in class why they were selling class
Now they ain't in my class, class
VIP that's chip, chip
No beans just chips
Got the weed, got the rizzler
But there's no spliff without chip
All this weed all this drink
Can't be good for my liver and lungs
But I ain't stopping, no

I know she fucking other niggers, true
I don't care I'm still hitting that pussy
 See I ain't stopping no
 It's like I'm sitting here winning
 I'm need forgiving
 I know she got a man
 She showed me from the beginning, no
 Lonely nights got me raving all the time
 This is me I'm addicted to this life
Yes I'm young and I'm reckless Yea, should have saw her waist, Arse phat
 Told her throw it back like its Thursday
 Cold hearted had to get the body warmer out nigger
 North Face but I'm a south nigger, argh
 See the smoke through the crowd
 Tell me how can I be quiet
 When I'm smoking on that loud
 We don't ever turn down
 Get money fuck a bitch nigger
 First I get the birds eye
Then she give me fish fingers, argh Stop acting like a diva
 Say your pussy tight
 I don't like spending money either
 I ain't going home on my own
 My cup full of patron, patron
 Your wifey calling my phone
Cos what's ice cream without Kone All this weed all this drink
 Can't be good for my liver and lungs
 But I ain't stopping, no
 I know she fucking other niggers, true
 I don't care I'm still hitting that pussy
 See I ain't stopping no
 It's like I'm sitting here winning
 I'm need forgiving
 I know she got a man
 She showed me from the beginning, no
 Lonely nights got me raving all the time
 This is me I'm addicted to this life
Yes I'm young and I'm reckless Krept, young, reckless, live like a G
 Kone and Chip got the weed
 I sip goose cos it represents me
 Goose backwards is double O G
 Get her cards and go clubs
 Win girls hearts, its all nuts
 Buy spades, flash diamonds
 Jack mans queen, it's all fucked

South side but I know north niggers
So I might go up north nigger
Krept, Kone, Chip we corporate
And hoes want to fuck with the fortunate
Go Prada man blew a bag
Obama the way I blew a rag
It's all mad side chicks complaining
Deserted her cos she weren't my main ting
Boys still chatting garbage
Nail her then I varnish
The girls that I fuck once
They get whipped and I get car sick
True them honeys on the chill
Spoon with the honey like a meal
Don't get twisted still move trill
Fizzy man up, leave man still, blahAll this weed all this drink
Can't be good for my liver and lungs
But I ain't stopping, no
I know she fucking other niggers, true
I don't care I'm still hitting that pussy
See I ain't stopping no
It's like I'm sitting here winning
I'm need forgiving
I know she got a man
She showed me from the beginning, no
Long nights got me raving all the time
This is me I'm addicted to this life
Yes I'm young and I'm reckless
