

# Roadhouse Blues

[Daniele Petronelli, NHB, Fabrizio Pettorelli](#)

Keep your eyes on the road and your hands upon the wheel  
Keep your eyes on the road and your hands upon the wheel  
Yeah, we're going to the roadhouse and gonna have a real a good time  
Yeah, good time  
Yeah, at the back of the roadhouse they've got some bungalows  
Yeah, at the back of the roadhouse they've got some bungalows  
Yeah, that's for the people who like to go down slow, yeah  
Let it roll baby, roll  
Let it roll baby, roll  
Let it roll baby, roll  
Let it roll all night long  
Yeah, we can do it too, y'all  
Ashen lady, ashen lady  
Give up your vows, give up your vows  
Save our city, save our city  
Oh, right now, yeah, alright, yeah, yeah  
Well, I woke up this morning and I got myself a beer  
Yes, I did  
I woke up this morning and I got myself a beer  
Yeah, the future's uncertain and the end is always near  
Yeah, baby  
Let it roll baby, roll  
Let it roll baby, roll  
Let it roll baby, roll  
Let it roll all night long  
Let it roll all night long
