

# Start Me Up

## New Boyz

[Verse 1 - Ben J]

How did I end up in this club?

Man I swear I'm goin crazy

And I can not find my phone

And I need to call me baby

If she saw what I was doin

She would probably wanna drop me

But I can not stop right now

Cause-cause right now this party got me feelin goooood

Yeah, let's do it up tonight

Ain't worryin about tomorrow

Man I'm livin life I-I-like a baller shouuuuld

Yeah tell me we ain't goin hard

This goes out to all of y'all (y'all, y'all, y'all, y'all)[Chorus: Bei Maejor]

Party party party people come say whassup(WHASSUP!)

Yeah baby baby start me up

So a sexy sexy lady's gonna show me love

Yeah baby baby start me up...

Woahhh

Party party people come say whassup (WHASSUP!)

Yeah baby baby start me up[Verse 2]

I-I ain't on that picture but I be goin HAM

Hella boppers on my gold and some bottles in they hand

I don't see they boyfriend and they guys

but surround 'em when they near

Need a Twitter for my dick

Jealous of our taste, muggin man I wish a nigga

If he set for the club, down so start me up-up-up-up[Chorus - Repeat 2x]

Party party party people come say whassup(WHASSUP!)

So a sexy sexy lady's gonna show me love
