Unbelievable

Brie Larson

OH!
You burden me with your questions
You'd have tell no lies
You're always asking what it's all about
But don't listen to my replies
You say to me I don't talk enough
But when I do I'm a fool
These times I've spent, I've realized
I'm going to shoot through
And leave you
The things, you say
Your purple crows just gives you away
The things, you say
You're unbelievable
OH!
You burden me with your problems
By telling me more than mine
I'm always so concerned
With the way you say
You've always go to stop
To think of us being one
Is more than I ever know
But this time, I realize
I'm going to shoot through
And leave you
The things, you say
Your purple crows just gives you away
The things, you say
You're unbelievable
OH!
You're unbelievable
OH!
You're unbelievable

Seemingly lastless, don't mean
You can ask us
Pushing down the relative
Bringing out your higher self
Think of the fine times

Pushing down the better few
Instead of bringing out the clues
To what the world and everything anger to
Brace yourself with the grace of ease
I know this world ain't what it seems.
You burden me with your questions
You'd have tell no lies
You're always asking what it's all about
But don't listen to my replies
You say to me I don't talk enough
But when I do I'm a fool
These times I've spent, I've realized
I'm going to shoot through
And leave you
The things, you say
Your purple crows just gives you away
The things, you say, is why i love you more
The things, you say
Your purple crows just gives you away
The things, you say
You're unbelievable
OH!
you're unbelievable
OH!
you're unbelievable
OH!
you're so unbelievable
OH!
you're unbelievable
ugh
