Live and Let Die

Paul McCartney

When you were young
And your heart was an open book
You used to say live and let live
You know you did
You know you did
You know you did
But if this ever changin' world
In which we live in
Makes you give in and cry
Say live and let die (live and let die)
Live and let die (live and let die)What does it matter to ya
When you got a job to do you got to do it well
You got to give the other fella hellYou used to say live and let live
You know you did
You know you did
You know you did
But if this ever changin' world
In which we live in
Makes you give in and cry
Say live and let die (live and let die)
Live and let die (live and let die)
