## **Majesty and Silence**

## **Omnium Gatherum**

Guidance of the light

Satisfactory

The paths dark enough to make the skin crawl

Parched into eternity

In this moment

Promises to the last you know

For ever never forever

Inclined to beKindred spirit

Like a holiest of ghosts

Not of the past

Nor the forthcoming

Here it be hear it be

Siren and the warrior

Both are after the one

So be the... known oneSeems like

Thousands a sun

Not last

Or the first oneAeon

See you out there

Speeding inside of a disaster

Where truth holds a place

For a chosen like

Maze as a circle

As a point

As of here

There is no return

There is thick diamondy solitude

A testimony to a time well spent

Out into night

Bright as dayight

Order loves chaos

Laws to be ordered
