

Won't You Ride In My Little Red Wagon

Willie Nelson & Asleep At the Wheel

Won't you ride in my little red wagon
I'd love to pull you down the street
And I know all the kids will be jealous
When they see my playmate so sweet
Hold tight till we come to the hilltop
Gonna coast down the hill, you and me
Won't you ride in my little red wagon
For you are my sweetheart to be
Hold tight till we come to the hilltop
Gonna coast down the hill, you and me
Won't you ride in my little red wagon
For you are my sweetheart to be
You are my sweetheart to be
