# Conspiracy

## Anvil

People talking, but they just don't know
Truth is hidden, lies begin to flow
Broken phone, the facts go wrong
Great deception don't take longTake belief in what they say
Before you know it, it's all gone astrayConpiracy
It's a conspiracy
You'll never know it's a conspiracy
ConpiracyThe suspicion grows
What they let us knowIlluminati's society
Agendas to ruin the economy
Financiers are going bankrupt
Those responsible are all corruptConpiracy
It's a conspiracy
Conpiracy
It's a conspiracyConpiracy
Conpiracy
