

Kids Of The Future (Instrumental)

Jonas Brothers

We're the kids, we're the kids, we're the kids of the future
We're the kids, we're the kids, we're the kids of the future Standing on a dirty old rooftop
Down below the cars in the city go rushing by
I sit here alone and I wonder why
Come on Louis, keep moving forward
Hold your head up high there's no time for looking down
You will not believe where we're going now Here we go let me remind you
Look ahead the past is behind you We're the kids of the future

Woah

We're the kids of the future

Woah

Everybody live cause the future is now Bright lights, boy look around you
Your imagination is working overtime
The world that you've dreamt of has now arrived
Hot shots the greatest adventure
Is where the family you've searched for comes alive
So come meet the Robinson's Looking for a place you belong to
Looking for a family that wants you We're the kids of the future

Woah

We're the kids of the future

Woah

Everybody live cause the future is now Everyday we have fun me and Wilbur
So happy to be here with the Robinson's
I finally feel I can be someone
Outside a new day is dawning
Outside the daylight is sprawling everywhere
I know that it's right because We'll save the future together
This family's forever We're the kids of the future

Woah

We're the kids of the future

Woah

Everybody live cause the future is now We're the kids, we're the kids, we're the kids of the future
We're the kids, we're the kids, we're the kids of the future
We're the kids, we're the kids, we're the kids of the future
We're the kids, we're the kids, we're the kids of the future
