

Brahm's Lullaby

Victor Johnson

Lullaby, and good night, in the skies stars are bright
May the moon's silvery beams, bring you sweet dreams
Close your eyes, now and rest, may these hours be blessed

'Til the sky's bright with dawn, when you wake with a yawnLullaby, and good night, you are mother's delight
I'll protect you from harm, and you'll wake in my armsSleepyhead, close your eyes, for I'm right beside you

Guardian angels are near, so sleep without fear

Lullaby, and good night, with roses bedight

Lilies o'er head, lay thee down in thy bedLullaby, and good night, you are mother's delight
I'll protect you from harm, and you'll wake in my armsLullaby, and sleep tight, my darling sleeping

On sheets white as cream, with a head full of dreams

Sleepyhead, close your eyes, I'm right beside you

Lay thee down now and rest, may your slumber be blessedGo to sleep, little one, think of puppies and kittens.

Go to sleep, little one, think of butterflies in spring.

Go to sleep, little one, think of sunny bright mornings.

Hush, darling one, sleep through the night

Sleep through the night

Sleep through the night
