

Wrong Number

The Cure

Lime green, lime green and tangerine
Are the sickly sweet colors of the snakes I'm seein'
Lime green and tangerine
Are the sickly sweet colors of the devil in my dreams
Lime green, lime green and tangerine
Are the sickly sweet colors of the snakes I'm seein'
Lime green and tangerine
Are the sickly sweet colors of the devil in my dreams
It gets to Friday and I give you a call
You know I'm gettin' kind of worried
She doesn't seem herself at all
Lime green and a sickly kind of orange
I've never seen her like this before
I had the best laid plans this side of America
Started out in church and finished with Angelica
Red and blue soul with a Snow White smile
Can you dig it, can you dig it, can you dig it?
I had the best laid plans this side of America
Started out in church and finished with Angelica
And now I dig it in the dirt
And I'm down here for a while
I'm down here for a while
You've got to make up your mind and make it soon
Is there a room in your life
For one more trip to the moon?
Is there a room in your life for one more?
Burn red, red and gold
Are the deep dark colors of the snakes I hold
Burn red, red and gold
Are the deep dark colors of the devil at home
She pulls me down just as I'm tryin' to hide
Grabs me by the hair and drags me outside
And starts diggin' in the dirt for a not so early bird
It's the only way for her to get the worm
I had the best laid plans this side of America
Started out in church and finished with Angelica
Red and blue soul with a Snow White smile
Can you dig it, can you dig it, can you dig it?
I had the best laid plans this side of America
Started out in church and finished with Angelica
And now I dig it in the dirt
And I'm down here for a while
I'm down here for a while
Hello?
Are you still there?
Hello?
Hello, you still there?
Much too late
Sorry, wrong number

(Yeah sorry you have the wrong number)
Yeah sorry, wrong number
