

Our Story (Glenn Morrison Remix)

Virginia To Vegas

In the beginning,
Like a movie,
Wanted to hold you.
Was just a friend.
When we were hanging,
I was dreaming
Of you and I,
Every night.
I always knew it was a matter of time,
That you would see what was in front of your eyes.
This is our story,
You and I,
Bring it to life.
I've been waiting,
For this moment
And you never knew.
I want to hold you.
I've got to tell you,
That it's always been you.
That it's always been you.
I've been waiting,
For this moment
And you never knew.
I want to hold you.
I've got to tell you
That it's always been you.
I first saw you
From the bleachers
At 17, babe,
It felt so right.
When we were hanging,
I was dreaming
Of you and I,
Every night.
I always knew it was a matter of time,
That you would see what was in front of your eyes.
This is our story,
You and I,
Bring it to life.

I've been waiting,
For this moment
And you never knew.
I want to hold you.
I've got to tell you
That it's always been you.
That it's always been you.
I've been waiting,
For this moment
And you never knew
I want to hold you.
I've got to tell you
That it's always been you.
I've been waiting
For this moment
And you never knew.
I want to hold you.
I've got to tell you
That it's always been you.
You know it's always been you, babe.
You know it's always been you.
I know it's always been you, babe.
You know it's always been you.
