

Lonely Train (Acoustic) [Bonus Track]

Black Stone Cherry

Big train rolling down the line
Makes me lonely
Sometimes I wish to ride away
Sometimes I want to ride awayBig plane flying through the clouds
Makes me worry
Sometimes I wish to fly away
Sometimes I want to fly awayBut you can't judge a book, looking at the cover
You can't love someone, messing with another, no
You can't win a war, fighting with your brother
You wanna have peace, gotta love one anotherBig guns lighting up the sky
Makes me worry
Sometimes I wish to run away
Sometimes I want to run awayBut you can't judge a book, looking at the cover
You can't love someone, messing with another, no
You can't win a war, fighting with your brother
You wanna have peace, gotta love one anotherI have seen my brothers
In ashes on the ground
And maybe in a new life
We can turn this thing aroundBut you can't judge a book, looking at the cover
You can't love someone, messing with another, no
You can't win a war, fighting with your brother
You wanna have peace, gotta love one anotherNo you can't judge a book
Gotta love one another
Can't judge a book
No you can't judge a book
