Naked Kids

Grouplove

Cruisin' down the highway with my friends, top down
And we're all on our way to the beach
And everyone keeps laughing at those cars we are passing
As we're sucking down that funny, burning weed
Oh yeah
Oh yeah
And we're rolling up to sand, take your shoes off man
We are skinny dipping underneath the sea
And it's a chicken fight clan throw your dukes up, wham
We are splashing in the water to the beat
Oh yeah
Oh yeah
Awesome, sandy dunes, hot day mid-June
Naked kids, running wild, and free
It's summertime fun, relax and stay young
You could be home with Oprah Winfrey

But the water feels nice, dive deep down under
Where ships, and treasures make reefs
Just one of those days, a blue perfect wave
Come out, and join, you'll see
And we're lying in the sun, when we're done
Find a towel, now we're thinking of where we're gonna eat
Back corner table, order lobsters and black label
Raise your glasses, here's to to living out our dreams
Unhhh
Crusing down the highway with my friends, top down
And we're all on our way to the beach
And everyone keeps laughing at those cars we are passing
As we're sucking down that funny, burning weed
Oh yeah
Oh oh yeah
Oh oh yeah
Oh oh yeah
