

Icarus

[Alesana](#)

Black engulfs the dying light
As he falls on frail wings of vanity and wax
Black engulfs the dying light
As he falls on frail wings of vanity and waxBlack engulfs the dying light
As he falls on frail wings of vanity and wax
Black engulfs the dying light
As he falls on frail wings of vanity and waxBlack engulfs the dying light
As he falls on frail wings of vanity and waxIcarus
