

# Somewhere In My Car

Keith Urban

I'm driving home tonight, catching all red lights  
That's alright cause I don't want to be alone  
There's nobody waitin' there, cold and empty bed  
Words I wished Id said come on the radio  
Ooh, oh, oh, and I don't know why I do this to myself  
Ooh, oh, oh, I know you're with someone else  
But in my mind were somewhere in my car  
And it's raining hard on the streetlight glow  
You got your lips on mine, its gasoline on fire  
I never will forget, you grabbed my shirt and pulled it over my head  
And your fingertips slide up and down my back  
Breathin' hard, steamin' up the glass  
Id give anything if I could bring you back home  
So, I've been sleeping til noon in the same bedroom  
Where I once held you and its breaking my heart  
I should take down all those pictures from my wall  
Promises we made won't fill this empty space  
Ooh, oh, oh, and I dont know why I just cant let you go  
Ooh, oh, oh, I know youre never coming back  
But in my mind were somewhere in my car  
And it's raining hard on the streetlight glow  
You got your lips on mine, its gasoline on fire  
I never will forget, you grabbed my shirt and pulled it over my head  
And your fingertips slide up and down my back  
Breathin' hard, steamin' up the glass  
Id give anything if I could bring you back home  
But in my mind were somewhere in my car  
And it's raining hard on the streetlight glow  
You got your lips on mine, its gasoline on fire  
I never will forget, you grabbed my shirt and pulled it over my head  
And your fingertips slide up and down my back  
Breathin' hard, steamin' up the glass  
Id give anything if I could bring you back home
